Sir:

Applicant received a Notice of Allowance dated March 8, 2005 with no indication that the certified copy of the priority document had not been received. As noted, however, on the attached copies of the Claim for Priority Under 35 U.S.C. § 119, which bears the Office's date-stamp indicating its date of receipt, and the front page of the certified copy, both obtained from the PTO image file wrapper, Applicant did properly submit a certified copy of the priority document. Accordingly, it is respectfully requested that the Examiner acknowledge receipt of the priority document in a Supplemental Notice of Allowability.

If there are any questions regarding this request, a telephone call to the undersigned would be appreciated.

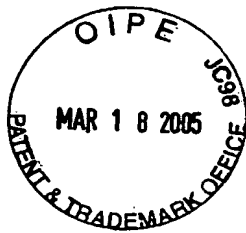

Respectfully submitted,
